STOP GOING
September 16, 2018

The righteous thrive like a palm tree and grow like a cedar tree in Lebanon. Planted in the house of the LORD, they thrive in the courts of our God. They will still bear fruit in old age, healthy and green, to declare: "The LORD is just; he is my rock, and there is no unrighteousness in him."

Psalms 92:12-15

For the Week Ahead

In your own words, describe what you think it might look like to be planted in our church.

Could you become more rooted and planted in our church?
What might be in your way?

The best time to plant a tree is 20 years ago, and the second best is today. How will you become more planted today?
